Profile

I am an ambitious person trying to prove myself at different stages. My current goal in life makes me driven to excel in my knowledge of Computer and Data Science. Personality-wise I am a person who always makes sure the plate is spotless before leaving the kitchen.

Education

MSc Software Engineering, Universiteit van Amsterdam, Amsterdam

September 2022 — Present

I am currently attending the Software Engineering Master's program at the UvA. Besides learning the required skills, my goal for this Master's is to learn what it truly means to be a software engineer.

MSc Computational Science, Universiteit van Amsterdam, Amsterdam

September 2020 — Present

Although currently on hold, I am in my second year of the Master Computational Science. I am primarily trying to follow courses with regard to computational finance and machine learning.

Pre-Master Software Engineering, Universiteit van Amsterdam, Amsterdam

September 2021 — June 2022

Successfully followed the Pre-Master in Software Engineering at the UvA.

Minor "Programmeren", University of Amsterdam, Amsterdam

September 2019 — February 2020

Successfully finished a minor in coding at the University of Amsterdam (UvA). The minor included different fields of Computer Science, including courses in Artificial Intelligence and Web Development.

Biomedical Sciences; BSc, University of Amsterdam, Amsterdam

September 2016 — June 2019

Obtained a Bachelor of Science at the University of Amsterdam. Specialized in the neurobiology track. - GPA: 7.0

Athaneum, Rijnlands Lyceum Oegstgeest, Oegstgeest

September 2010 — June 2016

Employment History

Software Automation Employee - Fulltime/Parttime, Roadsoft B.V., Amsterdam

February 2020 — Present

The majority of my role at Roadsoft comprises automating processes in the infrastructure of the company and optimization of our CRM system. This is primarily done in our low-code environment. Other aspects include mapping and analyzing our company's KPIs.

Extra-curricular activities

Honours Programme UvA, University of Amsterdam, Amsterdam

September 2016 — June 2019

Next to my Bachelor's, I followed the extracurricular Honours Programme.

Achievements and Certificates

Senior TTO Certificate and IB Diploma, Oegstegeest

September 2010 — June 2016

Successfully completed a six-year course in Content and Language Integrated Learning at Rijnlands Lyceum Oegstgeest.

IB Diploma, Oegstgeest

August 2016

Received an IB Diploma for English A Language and Literature (International Baccalaureate®) at International School "Het Rijnlands Lyceum Oegstgeest"

TedX salon, Amsterdam

January 2019

Had the opportunity to give a Ted-talk when following the Retorica (rhetorics) course with the Honours Programme at a TedX-salon event.
