## EXPERIENCE

### UNISBA/FSBA | 3 YEARS

- Development of a MOOC platform based on Moodle
- Create drawings and layouts by hand or use design software according to aesthetic values
- Briefing and meeting with clients

### WORKANA | 3 YEARS

- As a Product Designer Expert in UX/UI, I provided value by enhancing user experiences and product interfaces while working on the Workana platform.
- My expertise includes designing various products, such as game interfaces, visual identities, and physical product interfaces. I ensured smooth and effective product usage by optimizing user journeys on Workana.
- Delivering innovative solutions using animations, illustrations, and 3D products while working on Workana.
