## ABOUT ME

Hello, I'm Niki a dedicated HTML/CSS Designer with 5 years of experience. Known for my positive attitude, strong motivation, and eagerness to learn new technologies. Seeking opportunities to contribute my skills to dynamic and creative projects. I am passionate about the Front-end field.

## WORK EXPERIENCE

Freelance  
2024 - Present

My last project <https://paradiseview.bg/>  
Created the whole concept and shoot of photos and video processing with a design template and built with HTML, CSS, SASS and JavaScript.

DraftKings  
HTML/CSS Designer  
January 2019 - May 2023

During the initial year, the company operated under the name SBTech. DraftKings and SBTech have combined to become a multi-channel provider of sports betting and gaming technologies. I contributed to changing the styles of Sportsbook, Casino, and Live Chat products with palettes, logos, icons, and custom designs according to the client's request. Worked with HTML, CSS, LESS, Git, and Jira. Close collaboration with the design team and implemented the designs from Figma, Invision, and Zeplin platforms. Additionally, I occasionally assisted in implementing designs using Figma.

Codexio  
Web and Graphic Designer  
June 2018 - December 2018

Created websites with HTML and CSS, SASS. Marketing appearances, banners, flyers. Supported the company's social media channels and I made photography content.
