## PROFILE

Hi, Neel here. I am an up-and-coming artist who is focused on animation and film design. I am doing my Masters in Design from MIT, Pune. What separates me is that my animation style mirrors old-school animation, like Tom & Jerry, Courage the Cowardly Dog, and Looney Tunes. I believe in classic frame-by-frame animation, which you get with me. I am also a writer. Now I welcome thee to scrutinize :)
